ENCOURAGING PROSPECTS OF THE PRESIDENTIAL CANVASS.

The Democracy Everywhere at Work.

From the Detroit Free Press.

The signs of the times are auspicious.—Never in the history of political contests have the indications thus early been so favorable to the Democracy of the country as to-day. In whatever direction we turn, the voice of hope and words of cheer greet us. The people already begin to take courage for the future. Democratic gatherings everywhere are large and enthusiastic, while Radical ones are spiritless. The whole party seems smitten with the weight of guilt which is upon its leaders.

INDIANA AND ILLINOIS.

In Indiana and Illinois, our friends are at work nobly and energetically for the redemption of those States from the stigma of Radicalism. Hendricks and others are on the stump, and are enthusiastically received in every part of the former State; while Eden and other able speakers are working with determination in Illinois, and are by no means without a hope of carrying the State, notwithstanding the large majority against us two years ago.

OHIO.

In Ohio, Pendleton, Ward, Thurman, and others, are all dealing heavy blows upon the Radical front, with every prospect of success. It is claimed that the change in the German vote alone, in that State, will secure its electoral vote for Seymour and Blair.

THE NORTHWESTERN STATES.

In Iowa, Minnesota, and Wisconsin, the battle is being well fought, and our friends are very enthusiastic in their efforts to place these States in the Democratic column. It is not at all improbable, viewing their condition from the present standpoint, that we may receive the victory in all these States, except Iowa—and even in that our friends are not without hope. The popular changes have been largely in our favor, and will continue to be so up to the election; but whether sufficient to overcome the enormous Radical majority of the past, the result alone will tell.

PENNSYLVANIA.

From Pennsylvania, the keystone in the old Democratic arch, the news is not only good, but cheering. Our friends are sanguine of success. They are pressing the enemy back at every point along the whole line, and intend that their rout shall be final and complete on the 3d of November.

NEW YORK AND NEW JERSEY.

New York and New Jersey are conceded as beyond Radical hope. The Democracy are "carrying the war into Africa" in those States, with a vengeance. In neither of them have the disciples of the mum candidate been able to secure a respectable number for attendance at their public meetings.—The tide of enthusiasm and popular feeling is all on the Democratic side.

NEW ENGLAND.

In all New England our friends are doing battle most gallantly. The Nutmeg State (and where will you find a greater!) is going to fully maintain its position in the Democratic fold; while in New Hampshire the hardy Democracy are laboring ardently for the success of the "faith that is in them." That they may succeed is by no means improbable.

DELAWARE AND MARYLAND.

Delaware, as usual, is sure for a Democratic majority. Maryland stands side by side with her sister State, and will roll up a large Democratic majority.

THE SOUTHERN STATES.

Through the South the Union sentiments of the people are gaining strength, and their supporters are daily organizing meetings in numbers. There is reason to be encouraged with hope that notwithstanding the schemes and villainies of the Congressional Quirks, Gammons, and Snaps in behalf of the Tit mouse straps, we shall have a good account of the manner in which the battle of the Union and the Constitution has been once more fought in that portion of the country.

THE WESTERN STATES.

From the far Western States come the words of cheer and the indications of success. Our friends in California and Oregon promise to "be in at the death" of Radicalism, and make their shouts of victory heard east of the mountains.

MICHIGAN.

In our own State "the work goes bravely on." We have cheering accounts from all sections. Our friends are active and determined, and if the State is not redeemed from the blight of Radicalism, which has so long been upon it, it will not be from the want of energy and want of action on the part of our noble Democracy. They are making excellent local nominations, and zealously working for their success. Let them "fail not, falter not, weary not in well doing."

[From the Western Democrat.]

THE INTERNAL REVENUE TAX.

The Revenue District composed of the counties of Mecklenburg, Cabarrus, Union, Rowan, Lincoln, Gaston, &c., paid over $800,000 in taxes to the General Government from October, 1865, to June 30, 1868. The expense of collecting this tax was a little over $29,000, being a moderate sum compared with the expense in many other Districts. Although the Revenue Officers (with H. H. Helper and S. H. Wiley as principals) have collected a large sum from the people of the District, we think they have endeavored to discharge their duties with as much forbearance and liberality as the law permits. Mr. Helper and Mr. Wiley are kind as well as gentlemanly officers.

The following correspondence between the Assessor in this District and the Commissioner, is interesting to distillers of fruit:

U. S. INT. REV., Salisbury, July 29, 1868.

Hon. E. A. Rollins,
Commissioner of Internal Revenue:

Shall I conform to the law of 1867, with respect to the special tax of distillers of apples, peaches, &c.? Answer by telegram. Very respectfully,

H. H. HELPER, Assessor.

WASHINGTON D. C., Aug. 4, 1868.

H. H. Helper, Assessor:

Special tax on fruit distillers is four hundred (100) dollars.

E. A. ROLLINS,
Commissioner Internal Revenue.

Mr. Helper publishes the following Section of the Revenue Law for general information:

Section 79. And be it further enacted,—That any person who shall, after the passage of this act, sell, or offer for sale, any manufactured tobacco or snuff, representing the same to have been manufactured and the tax paid thereon, prior to the passage of this act, when the same was not so manufactured, and the tax not so paid, shall be liable to a penalty of five hundred dollars for each offence, and shall be deemed guilty of a misdemeanor, and, on conviction, shall be fined not less than five hundred dollars nor more than five thousand dollars, and shall be imprisoned not less than six months nor more than two years.

In compliance with the late law of Congress, the Commissioner at Washington has issued instructions in regard to the tax on tobacco, &c. We extract as follows:

"Every dealer in manufactured tobacco having more than twenty pounds, or dealer in snuff having more than ten pounds on hand, must deposit immediately, with the Assistant Assessor of the proper district, a sworn inventory of the amount of tobacco and snuff, respectively, and must deposit a like inventory on the first of every month thereafter.

After January 1st, 1869, all smoking and fine cut tobacco and snuff, and after July, 1869, all other manufactured tobacco, is to be deemed as manufactured after the passage of the act, and will be required to be put up in packages and stamped as required by law.

Every dealer in domestic or imported cigars, having more than five thousand cigars on hand, must file a sworn inventory every month until the 1st of April, 1869, at which date all cigars shall be deemed to have been manufactured since the passage of the act, and are required to be stamped accordingly."

The following contains important information to all distillers in the State:

COLLECTOR'S OFFICE, U. S. INT. REV., 5th Dist. N. C., Greensboro,' Aug. 6, '68.

I desire through the columns of your paper to inform the distillers of this District that the *Special Tax* levied by the recent Act of Congress on the business of a Distiller, is four hundred dollars per annum, and will be three hundred for the balance of the fiscal year, beginning the first day of August, 1868, and ending the thirtieth day of April, 1869.

There is no difference made in favor of distillers of brandy, except they are not required to deposit the funds to pay for the "stamps" designated by the Government for distillers of alcohol from grain, molasses, &c. The tax on distilled spirits is now fifty cents per gallon, with an additional tax of $4 per barrel of forty gallons on all over one hundred barrels distilled by any one authorized distiller. Copies of the new law can be obtained by distillers desiring to commence business, on application to this office.

JOHN CRANE, Collector.

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—retaining myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership or to bind the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

RADICAL RALLY OF THE REBELS.

We style every supporter of the Radical party a *rebel*. None others justly bear that appellation in this country. They are *rebels* against the Constitution—against a harmonious Union—against the Executive and Judicial departments of the government—*rebels* against the rights of the white citizen of the nation, and rebels against the peace, the unity and prosperity of the country.

This party proposes to have a "grand rally" in this city, on the 16th of September next. This they consider essential to counteract the powerful influence of the Democratic State Convention. They are right. It behooves them to do their best, and we admit their right, fully, to hold meetings, make barbecues and do all they can legitimately to secure success. Nor do we admit the right of Conservatives to disturb, interfere or hinder them in any way, as was attempted to be done in our case.

The arrangements are made for a grand instructional rally. Money they have in abundance, which the Conservatives have not. More than this, they have many men who are ready to work and labor.

Their Committees are appointed and announced. Messrs C. L. Harris and [illegible] Tourgee (rather a queer business for a Judge) are the Committee on Railroad Transportation. Of course, Billy Smith's Raffled Railroad will allow the negroes to pass for half price, or free, as may suit. Gen. Littlefield is the Chairman of the Committee on Finance. Of course, therefore, money will be plenty. Albert Johnson is Chairman of the Committee on subscription for barbecue, and there is, also, a Committee to prepare it. Dewese commands on ill inspiration. "Gov" Holden presides over Committee for speakers, with John Pool to help. "Attorney General" Coleman is music man. But the milk in the cocoanut is the appointment for "officers of the day." Associate Justice of the Supreme Court, *Edwin G. Reade*, is President, and Associate Justices of the Supreme Court, W. B. Rodman, Thomas Settle and M. P. Dick, are Vice Presidents,—to be aided by *Justices Huntly Lockhart and Zephaniah Mitchell, of the inferior Judiciary!* The people who voted for the new Constitution, to make the Judges of the Courts of North Carolina *political* Judges, will not complain of this.

"Companies and organizations" are invited. What kind of "companies" are these? Are they military companies? Are they to come armed? Are the Radicals organizing military companies? If so, the *people* ought to know it. We used to have a number of excellent volunteer companies before the war. If the Radicals are forming military companies, it will force the formation of military companies among the Democrats and Conservatives. Why this? Is there any necessity for military or armed militia organizations at all? We think not, and we are opposed to the whole matter. All we want in North Carolina, to preserve order and enforce the law, are good laws, a good and true Judiciary, and faithful civil officers to enforce the law. We desire nothing else. The Radicals, who are encouraging special militia and military organizations, are acting without discretion and proper reflection. This is no time to encourage bad feeling or to tamper with the disturbed and anxious feelings of the people. Let all strive to do right and keep cool.

The men who in 1861 shouted for secession, now shout for Seymour and Blair.—*Standard.*

We had *heard* that Rodman, Cantwell, Albertson, Blair, of Randolph, Coleman, W. J. Clarke, &c., &c., were all out for Grant and Colfax. We are sorry to be thus officially advised that our information was incorrect, and that they are "shouting" for Seymour and Blair. This is the only discouraging indication we have seen.

Grant says "let us have peace." What does he mean but that the "Empire is peace."

INFLUX OF CAPITAL.

Our telegrams stated, a day or two ago, that Gen. Ablett had asserted, somewhere at the North, that $10,000 000 of capital had been invested in North Carolina since the close of the war. We are not familiar with the speculating operations of Northern gentlemen in this State, to any great extent. We have heard of some purchases in lands, mines, &c., and some of our Railroads have sold their bonds at the North, but we have no means of ascertaining the amount. If Gen. Ablett authorized such a statement, we think he errs vastly as to the amount.

The impression prevails among our people, that the people of North Carolina are poorer to-day, less able to pay large taxes, than at any period since the war. The prospect, so far, is somewhat favorable for a good crop in most parts of the State. If the crops should do well and prices are remunerative, our condition will be better, but it will require a continuation of good crops for several years, and a vast improvement in the laboring population as to systematic labor, before our people can begin to lift the load which presses upon them.

Years will elapse before the country can recover from the excessive loss of agricultural labor in the State and South generally, occasioned by the unfortunate systems adopted by the Freedmen's Bureau and the Radical policy generally. Men who look narrowly into the future cannot see any daylight in the distance, except in a change of rulers and policy. Men of intelligence and worth look to the election of Seymour and Blair, as the only harbinger of a better day. Let Democrats and Conservatives work for it!

"N. Paige & Co." have only been in the State, according to their own admission, some six weeks. We state this fact, out of the kindness of our hearts, as an apology for their ridiculous blunders about North Carolina men and matters. They will learn something after a while, and, in the *interim*, let those of their present party friends, whom, in their ignorance, they are, every now and then, digging so unmercifully under the fifth rib, exercise a little forbearance.

How can men, who have only been in North Carolina six weeks, be presumed to know, for instance, when they laud Col. Rodman for his great "loilty," that he was, next to Holden, the leading secessionist in the State; or when they ledaub Cantwell with fulsome and silly adulation, that he were the first secession cockade ever flaunted in the city of Raleigh; or when they are "sweet" on Coleman and Blair, that the former edited a scesh paper, and the latter declared that unless North Carolina followed the example of South Carolina, he would leave the State; or when they canonize old man Blythe, that he grieved and whined bitterly, a short time back, on account of the *persecution* involved in being accused of favoring negro suffrage; and so on *ad infinitum?*

Therefore, we say, some allowance for these new-comers should be made,—some allowance, we mean, by their own friends, for their ignorance. For their *manners*, in reviling and traducing, with an unprecedented insolence, the people among whom they have so recently squatted, we confess we can make no apology. Such exhibitions are new and unseemly here. They are among the Yankee importations most sadly to be deplored.

Radical Liberality.—A few days ago, when the "Special Militia" bill was under consideration in the Senate, and after four lengthy speeches had been delivered by Radicals, and only two by the opposition, Mr. Sweet moved to suspend the rules, in order to change the relative position of the "Previous Question," so as to have it stand "3" instead of "8." Mr. Love, of Jackson, resisted the motion, but in vain, under the weight of party influence. The rules were suspended and the transposition followed.

As soon as this was done, Colgrove, a Yankee squatter, who has no permanent interest in the State, called the previous question. Mr. Love asked him to withdraw it but for a moment. Colgrove doggedly refused. Mr. Love then appealed to the Senate, for *two minutes*, by the clock, to make a statement. This was granted. Mr. Love said that he desired to be heard further in the discussion of the bill, but as he had been heard the day before, on the opposition side, he would not now ask it, if the mover of the "previous question" would withdraw the call, in order that he might offer some amendments to the bill, so as to set himself right before his immediate constituents and the people of the State. But Colgrove, the Yankee squatter, *refused*. "Then," said Mr. Love, "I denounce this action of the Senate, as another gag, fixed upon free speech by the Republican party in North Carolina!" Thus, under the operation of the gag-law, the infamous bill passed its third reading.

We are glad to see the Northern papers attaching that significance and importance to the recent great demonstration of the Democrats and Conservatives of North Carolina, which they deserve. Our report of proceedings is generally copied by them, in whole or in part. We observe that the Wilmington *Post* speaks of the superior enterprise of the *Standard* in the matter of reporting. The *Standard* only contained a weak and would be-factious caricature of the proceedings (written by the little joker, we suppose,) of the great Convention, which excited disgust even among its own friends. Our report was as full as it could well have been. Besides all this, even with one of our Reporters excluded, with mean malignity, from the Capitol, our reports of Legislative proceedings are far superior to those of the establishment which is literally shingled over with the public money, by a corrupt and wasteful Legislature.

Old Mecklenburg is ablaze with enthusiasm for Seymour and Blair. The Charlotte *Times* has accounts of meetings all over the county.

For the Sentinel.

LOUISBURG, N. C., Aug. 15th, 1868.

Messrs. Editors:—Permit me, through your columns, to state a few facts to counteract the report, which has been industriously circulated throughout this section of the State, that Louisburg has been very unhealthy.

I have been a practicing physician in this village for thirty years, and during that period I have never known any epidemic which has prevailed among us to assume a malignant and fatal type; but generally mild and amenable to treatment.

For twenty years previous to the fall of 67, I do not suppose that twenty cases of chill and fever originated in the town and vicinity.

During the past year, '67, we had a good many cases of chills and fever, but not a single death—the type of the disease being generally very mild.

To my certain knowledge, the medical bills for professional attendance on the family of the President and young ladies of the Louisburg Female College would about cover the tuition of one student in the institution. For the spring session of '68 the bills averaged about fifty cents per head.

At present the village is very healthy; we have had during the summer a few cases of intermittent fever of the mildest type—rarely requiring the attention of the physician.

As one of the physicians of the place, I feel it my duty to make the above statement. I can assure the friends and patrons of our excellent school, that they need have no fears concerning the health of the place.

Truly yours, &c.,

WM. R. KING.

For the Sentinel.

"The most intense rebel spirit prevails at Chapel Hill. So far has this been carried, that the squad of soldiers, who are there, guarding the University property, have been unable to procure rations from the white citizens, and have been compelled to subsist upon provisions supplied by the colored people." Chapel Hill is developing handsomely."—*Standard*, Aug. 1868.

Now, Messrs. Editors, Chapel Hill is no out-of-the-way village. The men who live there are well known throughout not only North Carolina, but all the Southern States. Wherever they are known, our people must be sure that this statement of the Editors of the *Standard* is untrue. Besides, what a representation does it make concerning the care of our Government for its soldiers! Are these sent about the country to subsist on the charity of our people? Further, there were the United States officers in Chapel Hill—the Post-master and the Revenue officers—that the United States soldiers had to apply for food to the colored folks! Where, too, were the "trusty loili" in Chapel Hill? Even if "rebels" would not, surely the "loil" might have secured credit to a soldier for a little while. In this malignant misrepresentation we have a taste of what the good people of North Carolina will experience, when the system of espionage, called "The Special Militia," is fully developed. N.

Seymour and Blair Flag.—Glorious Old Northampton is wide awake, up and doing. We received the following yesterday. It evinces the proper spirit, and we have only to say to others, go thou and do likewise:

"There was a Seymour and Blair Flag, floating fifty feet above the village of Pleasant Hill, yesterday. Every person possessed of any respectability whatever will support the flag."—*Roanoke News.*

TO LAND OWNERS.

HAVING BEEN APPOINTED, BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying east of and including Catawba C unty, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expense of the Company the Company will purchase alternate lots at their assessed value for taxation or be ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler on every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.

The object of this system is to bring into the State an industrious and thrifty population and to enhance the value of our lands. It has been adopted in other States and is said to be working finely.

This Company was chartered by our Legislature of 1866. Land owners will please address me for particulars at Reidsville, N. C.

SEYMOUR AND BLAIR CLUB.

We are requested to announce that there will be a *Pic Nic* meeting held at the Mineral Springs, on Esquire Leach's plantation, near Trinity College, on the 27th. of August, in order to form a Seymour and Blair Club. Hon. J. M. Leach, and other speakers, are expected.

NEW ADVERTISEMENTS.—Seymour and Blair Badges: Theo. N. Ramsay, Raleigh.

Box 471: 'Here are my colors—Seymour and Blair.'

Warren and Carter, Attorneys at Law, Washington, N. C.: Professional Card in another column.

Pocket book lost, with sundry notes and receipts: Jno. Young.

MINERAL SPRING.—A mineral spring has been discovered on the lands of Mr. Leach, near Trinity College, and its waters have been analyzed, and they are said to equal, in their medicinal qualities, the very best in the country.

GOV. WORTH.—We are pleased to see this distinguished gentleman back again in our midst. During his recent visit to Randolph, he addressed the people at various points with fine effect.

P. F. DUFFY, ESQ.—We were in error, a day or two since, in making this gallant gentleman hail from Michigan. *Wisconsin* was formerly his place of residence. Mr. Duffy has made himself a warm place in the hearts of our people. He will do good service in the pending campaign.

THE MEN who voted in the Legislature of 1865-'66 against allowing the negroes to testify in the Courts of Justice are now hurrahing for Grant and Colfax, and swearing that they have always been the best friends of the colored race.

THE MEN who proclaimed, in 1865-'66, that "unqualified opposition to negro suffrage was the most conspicuous Union landmark," are now clamoring for Grant and Colfax, and swearing that they have always been the fast friends of the negro.

FOR INTERESTING reading matter, daily, see first page.

ALL OUR efforts to obtain the Protest of Judge Osborne, and others, against the extravagant appropriations of the Legislature have failed thus far. Perhaps the "Ring" can explain why it is withheld from the public and the Press? It shall be forthcoming, nevertheless.

THE MIDNIGHT CONSPIRATORS.—There was a secret meeting of the treasonable U. L. A., in the Commons Hall, on Monday night,—Mr. C. L. Harris in the Chair. The meeting was called for the purpose of stopping the breaches that are being made in the Leagues all over the State. Many speeches were made, expressing great alarm at the evident disposition manifested everywhere by the blacks to abandon the traitorous conclaves, into which they have been deluded by designing knaves.

SUGGESTION.—When the grand Radical-rebel negro pap-sow takes place next month, we suggest that all of Holden's negro Squires in the State be specially invited, and that they be given a free ride, in order to insure their attendance. The people want to know exactly how many such there are; and, besides, an occasion, which is to be graced by *Judges of the Supreme Court*, as "officers of the day," ought also to be *honored* with the presence of the *whole* Judiciary, even though it be *muchly* made of darkeys. If no other arrangement can be made, we further suggest that the Democrats and Conservatives raise a fund for the benefit of these Squires. By all means let them do the honors to Judge Reade and to the big-black occasion!

LEGISLATURE.

In the House, on yesterday, the bill fixing the Congressional election on the same day as the Presidential election passed its several readings.

In the Senate, the bill on Salaries and Fees, after various amendments, passed on yesterday. Some of the salaries are beyond all reason; these we shall ventilate, in due time.

In their despair, Radicals threaten civil war, in order to make a fair and free election by the people of North Carolina impossible.

AN OUTRAGE.

It is with some surprise that we learn, that a bill was, on yesterday, hastily passed through the House of Representatives, and sent to the Senate, where it now is, after being read the *first time*, to give the city of Raleigh a City Judge, with jurisdiction to try petty offences, termed misdemeanors, at an annual salary of $2,000, to be paid by the city! We are not aware, and do not believe, that any request has been made by the people, and especially by the tax-payers of the city, for any such Court. We need none such, as the ordinary Courts are sufficient for our purposes. Our taxes are now $1 upon every $100 value of real estate, and even this is not adequate to meet our city expenses. There can be no doubt this bill has been introduced at the instance of some needy lawyer, who wants the city to support him and who expects to get the office.

Our citizens and tax-payers, if it were necessary, would petition the Senate not hastily to pass the bill. There is too much of such legislation, a good deal of which, we are glad to say, the Senate has defeated. Let them, then, defeat this bill, and they will receive, we are sure, the thanks of a large majority of the people of the City. We speak advisedly, when we say the citizens of Raleigh emphatically condemn this movement.

THE LOYAL LEAGUERS.

We learn that the Head Centres of the Loyal Leaguers have been in session here, perhaps for some time, during the hours of darkness. "They love darkness rather than light, because their deeds are evil." We are told that the condition of the Leagues requires mending up and refitting. In various sections they have been abandoned, and many of the faithful are growing cold in their devotion to party.

We regard these mi-called Loyal Leagues, as a most polluted and polluting device, to mislead the ignorant and unwary. Thousands of ignorant men were led into these secret, dark-lantern political organizations, who were sworn to fidelity to the Radical party, without regard to the interests of the country or their race. Many have come out of them, and they must be kept out.

We employ no one, white or black, male or female, who is a member of this League. No secret oath-bound person, sworn to do they know not what, should be countenanced or be supported a moment by Conservatives and Democrats. We call upon Conservatives and Democrats, everywhere, *to make it a condition of employment* to all PERSONS, THAT THEY ARE NOT MEMBERS OF THIS LEAGUE!

ACTS OF THE LEGISLATURE.

We commence, to-day, the publication of such of the more important Acts of the Legislature, as we have not heretofore published. We shall continue them from day to day:

AN ACT TO LIMIT LIABILITIES OF SHERIFFS.

The General Assembly of North Carolina do enact:

SECTION 1. That the Sheriffs and Constables of the several Counties of this State shall not be held liable for any act heretofore done in obedience to any law, statute, order or ordinance enacted or issued by any competent authority in force in the State whether of the Commander of the Second Military District, or of the Convention of 1868 in the Articles of the Constitution, or in the several ordinances, unless such law statute, order or ordinance shall have been declared unconstitutional by the Supreme Court of this State.

SEC. 2. That all laws or statutes, contrary to the provisions of this act are hereby repealed.

SEC. 3. That this act shall be in force from and after its ratification.

Ratified Aug. 11th, 1868.

AN ACT IN RELATION TO JURORS.

The General Assembly of North Carolina do enact:

SECTION 1. That if, from any cause, the Jurors required to be drawn and summoned to attend the Fall Term, 1868, of the Superior Courts in any County in this State, shall have been illegally drawn and summoned, or if the County Commissioners or other proper duty it is by law to draw and summon jurors for the Courts aforesaid shall have failed to draw and summon such Jury in any County of the State, the presiding Judge of such Court shall have power to require the Sheriff at any time during the term of said Court to summons a sufficient number of good and lawful men to act as grand and petit Jurors for that term of the Court.

SEC. 2. *Be it further enacted*, That this act shall be in force from and after its ratification.

Ratified Aug 12th, 1868.

AN ACT TO REPEAL AN ACT RATIFIED FEBRUARY 22d, 1866.

The General Assembly of North Carolina do enact:

SECTION 1. That an act to appoint a Tax Collector for the Counties of Wayne, Haywood, Burke, Pasquotank, Mecklenburg, Iredell, Davidson, Anson, Union, Johnston, Madison, Macon, Buncombe, Caldwell, Orange, Cherokee, Henderson Pitt, Chatham, Bertie and Surry, and an act amending the same, ratified the twenty-third day of February, A.D., 1861, be and the same is hereby repealed.

SEC. 2. This act shall be in force from the date of its ratification.

Ratified Aug. 11th, 1868.

HAYTI—THE NEGRO PARADISE.—A Northern gentleman, writing to the *New York World*, from Jacmel, St. Domingo, on the 18th. ult. says:

"A brief visit to this country has convinced your correspondent that no greater misfortune ever befell any people than happened to the poor negroes of Hayti when they attained their freedom, which was nothing more nor less than the opportunity to relapse into their original barbarism. My first acquaintance with Hayti on this interesting was in this wise: On landing here I was accosted by a highly colored gentleman in the picturesque costume of a shocking bad straw hat, and a limited pair of pantaloons—having great convenience for ventilation in the rear. He carried a rusty flint lock musket, surmounted with a bayonet having about the size inches of the point broken off. He informed me that he was a high official of the custom house, and desired to inspect my passport."

SERGEANT BATES OFFERED TEN THOUSAND DOLLARS TO WORK FOR THE RADICALS. A meeting was held at Democratic headquarters, South street, Thursday night, which was well attended, although there was no published notice that it would take place. Sergeant Gilbert H. Bates, of Wisconsin, made an address, in which he said every possible inducement had been offered him by the Radicals to leave the State of North Carolina, while he was sojourning there. He will now make a tour of the eastern States, and speak for Seymour and Blair. He says he has been offered $10,000 to work for the Radical party, but the interest and perhaps the fate of the country depends upon the result of the next Presidential election, an I that is more valuable to him than gold.—*Balt. Gazette.*

"When the storm is over, the Conservative party, representing, as it does, THE PROPERTY AND INTELLIGENCE OF THE STATE, will take the guidance of affairs, AND ALL WILL BE WELL."—*Judge Pearson's Letter.*

OLD MARTIN ALIVE—COLORED MEN COMING OVER—BARBECUE, SPEAKING, &c.

ROANOKE, August 15th, 1868.

Messrs. Editors:—We have opened the canvass fairly in old Martin, and intend to follow it up with thorough work for the great ticket of the great Anglo-Saxon party of America.

We ratified the nominations at our County seat, Williamston, on the 1st, and had a strong speech from Col. Carter, of Beaufort. Messrs Stubbs, Moore and Gregory were present and heartily endorsed the proceedings. They had to decline, however, the repeated calls of their friends, on the ground of courtesy to the guest of the County, (Col. Carter.)

The big Barbecue came off at Flat Swamp, the home of that live man and sterling citizen, H. D. Robertson, on Thursday, 6th August. There has been no such gathering in this County, either for numbers or character, since the war. The best men of the County, with many from Pitt and Edgecombe, and a respectable number of worthy colored men, pledged themselves to earnest, vigorous action, and that they would send to his "Judgeship," Col. S. W. Watts, what ought to prove to even him, in November, "glad tidings of much joy"—the news of the conversion of one half of his little body guard of a score, who alone of all the whites of the County thought him worthy of any but a shoe maker's bench.

Thos. Jones opened the ball with a clear, sound speech, rallying the crowd handsomely. He was followed by Gen. Stubbs, whom Beaufort, his native County, has always been loth to give up to old Martin.—This gentleman, when he can be fully brought out by the surroundings, the subject matter or the thrusts of an adversary's lance, is in every sense a strong man. He has, in a large degree, that pre eminent quality of the gallant "Harry of the West," tact. He never makes a blunder on the stump. Cautious and politic, yet candid and honest, he is, more than any other man, the favorite with all classes, white and black. He promises good work in the campaign.

He was followed by J. Edwin Moore, Esq., always active and ready to meet any enemy, as was evidenced by his canvass against "his Honor" for the Convention and his offer to meet Gen. Littlefield, when he was traveling agent for the Holden menagerie, last spring. Mr. Moore was very happy in his style and delivery and put many wholesome truths before the people.

G. H. Gregory, Esq., closed the meeting with a lively, rallying speech of something less than an hour. This gentleman took a square straight out stand against the employment of all who affiliate with secret political societies, and declared himself willing to guarantee, under such restrictions as may be hereafter established by the white voters, such qualified suffrage for the blacks as equity and good conscience seem to require. He proposed, and it was cheerfully acquiesced in, to organize a Seymour and Blair Club of white and black Democrats and Conservatives, in Hamilton, on the 29th inst. (Saturday in August) and raise a hickory pole.

GLORIOUS RALLY IN ORANGE—HON. WILLIAM A. GRAHAM.

HILLSBORO, Aug. 17, 1868

Editors of the Sentinel: I write to inform you of a grand rally of the Democratic and Conservative people of Orange County, which came off here on Saturday last. The largest crowd which has assembled here in twenty years were present to ratify the nomination of Seymour and Blair. Able and eloquent speeches were made by the distinguished gentlemen present, a full account of which will be given by the Secretaries of the meeting.

My only object in addressing you, is to call the attention of all *old line Henry Clay Whigs*, in and out of North Carolina, to the bold and noble utterances, on the occasion, of that tried and *true* Whig and patriot, WILLIAM A. GRAHAM.

In the course of a speech of great earnestness and ability, he reviewed the state of public affairs, and most emphatically declared that "a relief from the unconstitutional oppression under which we now labored, depended upon the election of Seymour and Blair."

He pronounced Seymour to be, in his opinion, "the ablest public man in the United States, one who seemed fully to comprehend the situation, and, by his great ability, large experience and irreproachable character, was eminently qualified for the office of President, and he, himself, would prefer him to *any other man*."

He further declared, "that there was no principle contained in the platform adopted by the great National Convention of July 4th., 1868, which every old Whig could not and ought not to approve and adopt."

Let the old Whigs of North Carolina still follow in the footsteps of their great leader, and, with him, battle manfully for right and liberty, and, with the blessing of God, all will yet be right! Yours, &c.,

ORANGE.

STATE NEWS.

We learn, from the Wilmington *Journal*, that, on Friday last, while the train on the North Carolina Railroad was passing a station between Selma and Raleigh, it was fired into by a negro. Two shots were discharged at the passenger coach, and passed through the car, but struck no one. The train at the time was crowded with delegates and others returning from the Democratic Convention in Raleigh.

Toby Richardson, a negro, was fatally stabbed by another negro, named Alex Forrest, at Selma, on Saturday last. He died soon after of his injuries. This tragedy was brought about by a dispute about thirty cents.

We learn, from the Wilmington *Star*, that the people on the line of the Raleigh and Gaston, and Wilmington and Weldon Railroads, turned out *en masse* to greet the New Hanover delegation on the return trip.—Banners were displayed, speeches made, and after nightfall numerous transparencies lighted up the scene with their resplendence. The delegation was received, on its return to Wilmington, with a hearty welcome. A procession was formed, headed by a band of music, and a banner, on which was the inscription "Welcome Home." Great enthusiasm prevailed and several speeches were made.

The colored delegates from New Hanover to the late Convention, at Weldon, on their return, addressed crowds of their brethren, advising them to abandon the scallawags and carpet-baggers and vote for Seymour and Blair.

The Fayetteville *Eagle* has taken the place of the *News*. It gives promise of earnestness and ability, and will prove an able ally in the great cause. We wish it the most abundant success.

FROM WASHINGTON.

WASHINGTON, Aug. 18 P. M.

The Republican Executive Committee have been sending out twenty-five thousand political documents per week, and they expect to average fifty to one hundred thousand per week until the election.

The recent riotous proceedings of Butler's Zouaves have ventilated the circumstances connected with the disbanding of militia companies in this District. The President ordered them disbanded. Grant refused to obey the order to General Emory, who returned it with the endorsement that there was no authority for such a proceeding. The order was returned to the President with his endorsement, and there the matter rested.

It is seriously stated that Rosecrans's visit to Virginia is for consultation with General Lee, regarding Mexican relations and the Southwestern border interests. Other parties say that Rosecrans desires to consult Gen. Lee with regard to his views and the probable action of the Southern Democrats, as preliminary to a letter of advice Rosecrans intends addressing to the Germans before leaving the country. Nothing is positively known beyond that Rosecrans goes to Virginia to see Gen. Lee.

FROM RICHMOND.

RICHMOND, Aug. 18 P. M.

Gen. Stoneman has issued an order, directing the Auditor of State to receive in Railroads, indebted to the State, the whole or part of their debt, to be paid in current funds or in State Bonds at par—the amount of State Bonds received not to exceed two-thirds of the total payment made by a Road. The whole amount due by the Roads is about three hundred thousand dollars.

FROM ATLANTA—REPUBLICAN MASS MEETING.

ATLANTA, Aug. 18 P. M.

There was a "grand" Republican mass meeting in this city, to-day, in honor of the nomination of Grant and Colfax. The procession formed at the Post office building—about seven hundred negroes and three white men.

The procession marched to the City Hall Square, and were addressed by Ex-Govs. Joe Brown and J. Johnson, Joshua Hill, and others.

A negro Senator got up a side show during Brown's speech, drawing off a large crowd.

One negro speaker said, that he had no confidence in white men who say that they are with us. He was for the negro and believed the white folks were for themselves. The whites who pretend to be for us will desert us in the time of trouble. He advised the negroes to stand by and for themselves.

When the pretended Legislature of Florida was about to take from the people the right to vote for Presidential electors, a loil Floridian from Kansas thus gave the grounds and reasons of the law:

"The Republicans," said he, "have the power, and they are going to keep it as long as there is a bayonet to back them. They will not go before the people on an issue, the result of which may deprive them of power."

UNIVERSAL

LIFE INSURANCE COMPANY,

NO EXTRA CHARGE FOR FEMALE RISKS.

LOSSES PAID IN THIRTY DAYS.

No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums insured, which is **immediate, sure and certain**, in lieu of a high rate of premium and promised dividend, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

☞ The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate.	AGE	Ordinary Life Rate.	Ten Payments Rate.
25	$21.42	30.78	45	$36.48	$70.48
30	25.00	45.10	50	74.57	104.27
35	31.14	51.04	55	108.27	142.36
40	40.07	62.44	60	163.25	201.07

Example.—A man aged 30 insures his life for $1,000, and pays 45.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $215.50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000.

$130 to pay every 100 of Liabilities.

DIVIDEND, Fifty per Cent. $7,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.

Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount* without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and *paid* in cash, and upon surrender of said Policy the sum insured thereby, will be paid in full, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur THEREON OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION:

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the pledges given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate means and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private sessions of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made, may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as orig nal process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say: for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which the instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
